To Whom It May Concern:

I strongly recommend Mike Baez for the best live entertainment. I have had the pleasure of working with him for almost three years at Merriman's Fish House in Kauai, where he played two nights a week for our guests in the restaurant.

He is consistently pleasant, always on time, has a huge following and played with enthusiasm and dedication. He has such a beautiful voice, when I was upstairs or in office I would have to go in the dining room to see if it was Mike or our sound system. He's sounds flawless. We even had guests from Canada that would call ahead and plan their trip around his schedule here. It has not been the same without him.

While we surely miss seeing and hearing Mike play we wish him and his family the best!! Anyone would be lucky to have him play, especially if he becomes famous one day☺
